MID-YEAR AGENDA JOHN M. CLAYTON – UNIVERSITY OF DELAWARE 100 DAVID HOLLOWELL DR, NEWARK DE 19716 MAY 17, 2023

WEDNESDAY, MAY 17, 2023

8:00 – 9:00 am	Clayton Lobby	Conference Registration
8:00 – 9:00 am	Clayton A & B	Continental Breakfast
9:00 – 9:10 am	Clayton A & B	Welcome <i>Patricia Norwood-Foden, MAACM President</i>
9:10 – 10:30 am	Clayton A & B	Seizing the Day and Overcoming Obstacles <i>Keynote: Kevin Reilly</i>

Session Description:

Kevin Reilly shares his story of 'Tackling Life' and achieving success while battling a rare scar tissue tumor that ended his NFL career. With over 30 years of experience as an executive and motivational speaker, this session will examine his best-practices for accountability, leadership, and teamwork. Kevin will talk about perseverance vs. resilience, teamwork with the Eagles, accountability, time management, the "No Complaint Rule" and managing people.

Speaker Bio:

Kevin Reilly is an acclaimed keynote speaker, author, former broadcaster for Philadelphia Eagles Network, and former professional football player. He has motivated thousands with his journey of overcoming illness and unbelievable obstacles. Drafted by the Miami Dolphins in 1973, Kevin Reilly played for the Philadelphia Eagles, where he captained the special teams, and the New England Patriots. In 1976, Kevin was diagnosed with a rare tumor that led to the amputation of his left arm, ending his lifelong dream of playing in the NFL.

Kevin underwent an intense radical surgery to remove his left arm, shoulder and five ribs. The procedure altered his body and life forever, forcing Reilly to end his professional football career and look at a new future, one with obstacles he never could have imagined. Through perseverance and strength, Kevin achieved accomplishments many thought impossible, seeing success in the corporate world, broadcasting, and reaching thousands with his inspirational message.

360 Engagement and Motivation – A Holistic Approach

Presenter: Robb Wilmot

Session Description:

This workshop focuses on the art, science, and feelings-based components needed for working with people in a way that helps everyone on the team to feel engaged, motivated, and eager to contribute. Learn key steps to improve outcomes when working with employees, managers, and clients in judicial systems and environments while benefiting from knowing how to use multiple perspectives and lenses to arrive at mutually inclusive and desired destinations.

Speaker Bio:

Robb Wilmott manages projects to design, create, and deliver multimedia educational courses, products, and services used by judges and other stakeholders in the Judicial Branch of the Federal Government. As needed, on behalf of the Federal Judicial Center, Robb also conducts international presentations and workshops for non-US Judiciaries involved in educational partnerships and collaborations with the US Judiciary. As a private educational consultant, Robb authored more than 30 manuals, programs, and books for national training companies and universities. Robb has a Bachelor's degree in Computer Sciences. A Master's degree in Distance Education and eLearning. A second Master's degree in Business Administration. And a third Master's degree in Technology Project Management. Currently, Robb is a student at Johns Hopkins University, pursuing a Doctor of Education degree.
